2016 – 2017 Fall Academy / Select Program Tryouts

Age Control:

The United States Soccer Federation (USSF) has changed the age control for divisions. Georgia Soccer (GSSA) has adapted those changes and they will take effect this upcoming fall season. Players will be placed into age groups regardless of experience based solely on birth year.

Academy and Select Teams:

Any player who is not selected for an Academy / Select team will be given the option of playing on a Recreation team and will be given a partial refund of your registration fee.

Academy Game Schedule:

The Academy schedule is in collaboration with other surrounding soccer clubs. The players are guaranteed at least ten (10) games for the fall season, and will be playing Saturday and possibly Sundays from September 10th – November 13th.

Athena / Classic Game Schedule:

These schedules are determined solely by Georgia State Soccer Association (GSSA). Organizations have no control over which teams we play and locations. The only guarantee is that teams will have a ten (10) game schedule, and will play equal number of home and away games. The Athena/Classic season opens on September 10th and will close on November 13th (pending disastrous weather conditions such as last season). Each coach has four (4) “blackout” weekends in which they are able to not play.
